From the President...

What an event! The 2019 Great Pepper's Meeting is in the books, and it might have been one of the best meetings in recent years. Thank you to Kit Rudd and Mary Ellen Gillen for the time and commitment that they have made to this organization. Kit served two years as our Membership Director and brought important process changes to that role, and helped expand our WiFi at the Ranch, and our Social Media presence. Mary Ellen has been a fixture on the CASI Board for the last 8 years handling our Treasurer Duties. Both of them will be missed greatly, and Renee Moore and Jennifer Sherfield are fully capable of filling their shoes. Are there still challenges facing CASI? Of course there are. The main question is how do we attract and retain new members, in a society that is seeing a decline in "Social Clubs"? This is not an issue that CASI faces alone, the Elks, Moose, Mason's, etc are all having these issues as well. The way that we combat this is by pulling together, and working towards the same goal. Look for the written transcript of my opening remarks to the GPM in the November issue.

The 8th Annual Highway to Hell*O* Terlingua Cookoff Raises $11,290 for the Dimmitt Volunteer Fire Department

Recap of the 2019 GPM

The 40th Meeting of the Great Peppers is over. I want to thank everyone who attended the meeting this year. All in all, I felt it was a positive, informative meeting over Friday and Saturday.

On Friday, we had a morning meeting where we discussed a number of topics. First, we talked about the 2021 Great Peppers' Meeting. As per the Great Peppers in 2016, the meeting went to Virginia in 2017, then it would be in Arlington for three years and move in the fourth. 2021 is the fourth year. CASI is looking for a host for 2021, so if your Pod or a group of Pods would like to get together and host, get in touch with me and I can furnish you with the needs of the meeting.

Next, we talked about the state of Showmanship at TICC and in general. In the current climate, we have to find a way to revamp show in the coming years. One idea is that at TICC, we offer a One Person show category that awards the traditional chair, jacket, pepper and stove. Large and Small categories would be combined into one and, with the help of an underwriter, would award cash prizes to the top five shows. CASI Show rules would still apply. There are no ancillary awards that go with this category – no chair, jacket, pepper or stove. The winner of the show categories would be listed on the poster as One Person Show Champion and Show Champion. Under the same show name, you cannot enter both categories. One or the other. It was discussed about qualifying for show. Do you have to qualify for One Person and not for the other Show? Do you qualify all persons interested in Show? These were talking points that the attendees were asked to take back to their memberships and talk about the possibilities or different variations possibly with this idea. Show is struggling; there's no denying that. Please discuss within your Pods. Perhaps we can schedule an interested parties Show meeting at TICC this year and get more thoughts and ideas on this subject.

Next we talked about the *Terlingua Trails*. We are one of the only organizations left that actually produces a paper newsletter, and it is a tremendous financial cost to CASI. Each year we see the cost of paper and postage continue to rise. The idea once again surfaced that we cease printing the *Trails* and move to an online version only, which would then be public. We would continue to have an editor and staff to put the *Trails* together each month. There were many positive discussions on how to move forward with this idea. One idea was mentioned by one of our younger members – get a QR code and link it to the *Trails*. Our IT committee is looking on how to make that a reality. Just to clarify to those that were like myself, it's the little box with a pattern of black squares that you see on everything these days. You scan it on your phone, and it links to something you want to see. In this case, it would link directly to either the website or the *Trails*.

Saturday morning, we opened with presentation of the colors. They were presented by the JJ Pearce HS ROTC. This was the second year that they have done this for us, and we are extremely grateful. We had a good attendance this year and we appreciated the discussions that we had during the meeting that day. We covered a lot of subjects throughout the day and introduced some new business items as well.

A couple of big announcements were that Bolner's Fiesta Brands have joined us at the Gold level in sponsorship. We had a surprise donation from the Purple Haze Jeep Club; they donated the funds for the Wings contest this year. Anything But Chili is back for its third year and, thanks to Bolner's Fiesta Brand, there will be two categories: Sweet and Savory. Along with having two categories, each category has a total of $800 in prize money. The event will be hosted by VASA and Pasadena Pods.

Sign Up Genius is alive and well. If you are looking to volunteer some time at the Ranch this year, go to the website and see what is available out there. There are many short-time openings in the schedule that we need volunteers. It's a great way to see old friends and meet new ones.

Last, I announced that I will not be seeking another term as ED in 2020. If anyone is interested, I urge you to get in touch with me. The sooner the better, as they say. Thank you all once again for your input, your involvement, your ideas, and of course, your time.

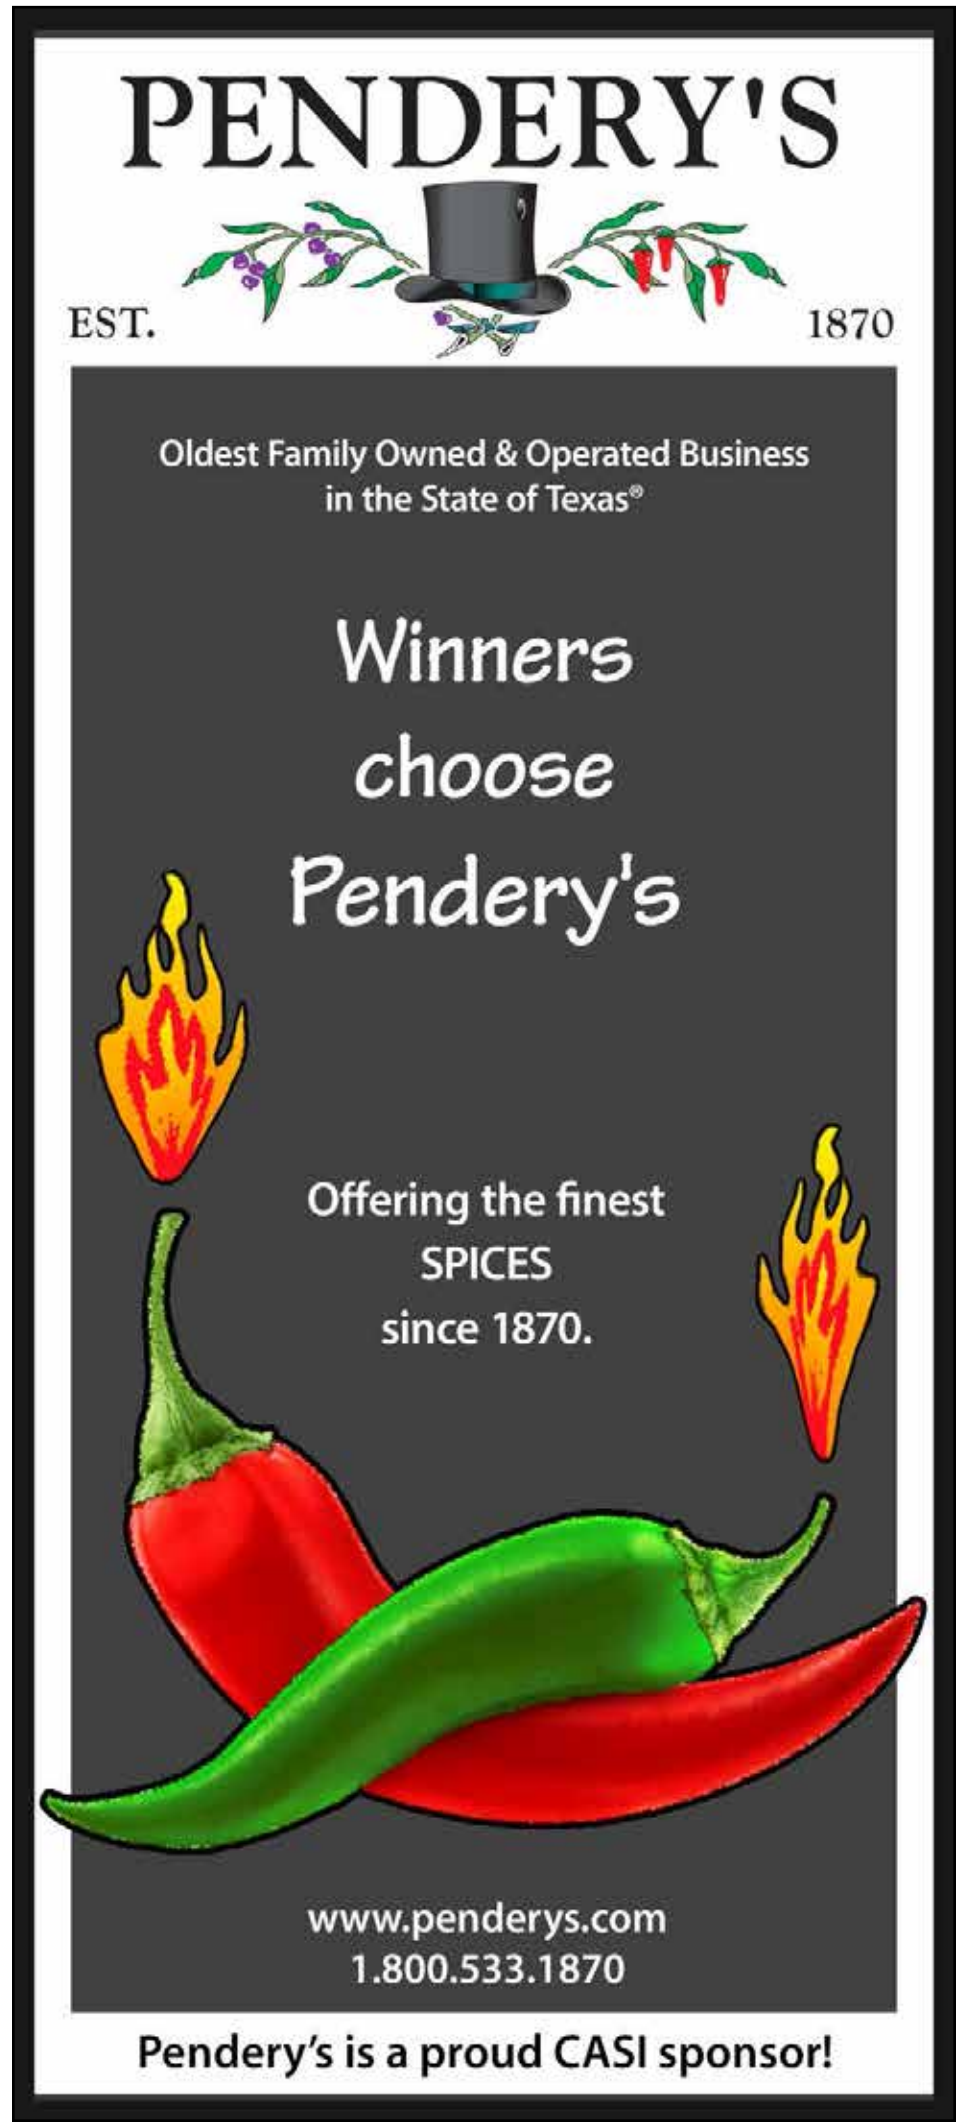
Executive Director



TALLYMASTER REPORT

Please join me in congratulating all those currently QUALIFIED to participate in the 2019 Terlingua International Chili Championship to be held on Saturday, November 2, at Rancho CASI de los Chisos in Terlingua, Texas. It's a badge of honor and a proud distinction sought after by many. The year is full of CASI-sanctioned events where points can be achieved and earned towards this qualification, while socializing with friends and making new ones, all over cooking a pot of Texas Red chili to support a charity. The greatest part is the FUN we have, and the great memories we make!

Please note and consider the online process for submission of your cookoff results. It's an easy process aimed towards immediate submittal of cookoff results and approval of qualifying points, so it's much faster than the USPS proceess.

I want to hear from you in the event assistance is needed, or if you have any questions, suggestions, and/or comments. I'm here to listen. Please reach out by sending me a note at brianspencer@casichili.net or, if you prefer talking, I can be reached at 409.658.3440.

3-Time Little Miss TLS Takes Directors' Challenge in First Adult Cookoff

Amber Lindsey of Houston TX began cooking in CASI Junior cookoffs in 2016, and she holds the title of Little Miss Texas Ladies' State for 2017, 2018, and 2019. Having turned 18, Amber attended the Directors Challenge cookoff, held on September 6 in conjunction with the Great Peppers' Meeting. She can now say that she won her first adult cookoff, defeating three-time champion Don Hoy and 37 other cooks.

Amber is also a 2019 CASI Scholarship recipient, currently attending the University of North Texas in Denton.

We will be seeing more of Amber in the future as her college schedule allows, so watch out, chili cooks – we have a bright new CASI star rising among us.

Four TICC Champions attended the Texas State Fair cookoff in Dallas on September 21 – Roger Foltz (2004), Carol West (1998), TJ Cannon (2012), and Tom Dozier (2018).

Make No Mistake!

By ***Bill Pierson,*** Senior Referee
Vol 3, No 10

With the end of one chili year and the start of a new one, plus the impending TICC, this is an exciting time of year. Of course, for those cooks who are still seeking their final points, exciting might not be the best word for them. To those folks, I can only say, keep trying and the best of luck.

The new chili year also brings about changes in CASI personnel: We have new directors, committee members, and referees. One such change occurred on the Rules Committee with the retirement of Kit Rudd from the CASI Board. I would like to publicly thank Kit for his contributions to our deliberations, which were valuable and appreciated. Mike Whitten will be replacing Kit on the Rules Committee.

One of my tasks for this period is compiling the lists of referees, and verifying their membership status. CASI Bylaws require that all CASI officials, referees included, be paid-up members for the entire year of their term, in other words until September 30 of that year. However, CASI membership policy allows membership for a year from when they joined. This has created conflicts which must be resolved. Through the cooperation of the people involved, and the help of our past and present Membership Directors, this issue has almost disappeared. Now, for some leftovers from this past summer.

I was asked if a cook could take a picture of their cup ticket and present that, in case they lost their ticket. Apparently tickets are easier to lose than cell phones. But, it was an interesting question, so the Rules Committee took a look at it. The consensus of the committee was that, since the rules (II.G.2) say to "present" the ticket, a cell phone image would not be acceptable. So, make no mistake, keep your ticket in a safe place. The bottom of the judging cup, under six inches of chili is not a safe place.

The above example prompts the question: Can someone else present a cook's ticket and claim his award for him? The rules do not specifically state that the owner of the ticket must present it. The actual language is, "…cooks must present the signed ticket…" There is a policy at TICC that the cook must present their own ticket to claim an award, and I endorse that policy. However, at regular cookoffs a little leniency can be allowed. There are occasions where a cook may have to leave a cookoff early for another engagement. They should not be penalized for this when they have supported the cookoff.

See something, say something. A cook saw something at a cookoff they thought was wrong and brought it to CASI's attention. Even though this issue concerned an ancillary part of the cookoff, our name is on the event and it reflects on our organization, so it was addressed and resolved. What the cook thought was wrong was not a violation, but it looked wrong to their untrained eyes. So, if you see something that appears amiss, say something to the head judge, promoter, or referee. It may or may not be a violation, but an explanation can smooth things over.

Referees have been requested to expedite the paperwork of the remaining cookoffs in their regions. The Tallymaster has set October 10 as the deadline for the receipt of all 2019 season paperwork. If you are expecting points to be credited, or a qualification notice, and it has not happened in a reasonable time period, contact the cookoff referee. It is in their hands. If they have sent it in, they can inquire of the Tallymaster if there is a problem.

Now, it is time to start thinking about the SW Texas desert.

DON'T CAMP IN THE CREEK!

CAMPING IN WELL CREEK IS AGAINST THE POSTED RANCH RULES. EVEN A SMALL AMOUNT OF RAIN UPSTREAM CAN BECOME A FLASH FLOOD, PUTTING LIVES AND PROPERTY IN DANGER. ANYONE WHO IGNORES THIS RULE WILL BE TOLD TO MOVE BY THE NICE OFFICERS ON DUTY. FAILURE TO COMPLY WILL RESULT IN EXPULSION FROM THE RANCH.

FIRE POLICY

IF ALLOWED, rules for having fires on the Ranch site are as follows:

- ✓ Fires must be contained in a fire pit, fire ring, or some type of containment. There are to be no unconfined tires on the ground!
- ✓ **NO LARGE FIRES!**
- ✓ **NO ACCELERANTS** are to be used on fires, i.e. gas, lighter fluid, etc.
- ✓ **Fires MUST be attended at all times.**
- ✓ **NO** furniture, cars, tires, or non-earth-grown items will be allowed to be burned on site. **If you haul it in, you must haul it out when you leave.**
- ✓ The Ranch will be patrolled by the Terlingua Fire Department at all times. Individuals in violation of the fire rules will be given one warning. There will be no second warning; violators will be immediately evicted from the property without a refund.
- ✓ It is requested that all persons entering the Ranch have a working **FIRE EXTINGUISHER** in their possession.

We will have special bulk package prices available to our members to accomplish this. We promise it will be totally competitive and waiting for you when you get there. The prices in that area are lower than the Metroplex.

L&F Distributing and **Glazer/Permian** come out and work hard for us. They are Gold Level sponsors, which means they contribute $10,000 or more to CASI each year. Please make it a point to thank these and our other sponsors.

The Terlingua Rosebuds Party is open to all women at Rancho CASI de los Chisos. It will be held on Wednesday, October 30, at 7 pm in the Mexene Judging Pavilion. The theme this year is *Under the Rainbow*. We are sponsored by Svedka Vodka with four flavors of vodka – Strawberry Lemonade, Mango Pineapple, Blue Raspberry, and Rose. This is a night of camaraderie and fun, with sprinkles of surpises along the way. As in the past, we plan to entertain you and touch your heart. The dress code is – your favorite flavor. It's Halloween Eve, so get creative. There will be prizes!!! Make plans to join us on this special night.

Tequila in Terlingua Society Party

Join all the men of Terlingua behind the TICC Stage on Wednesday, October 30, at 7 pm for the Tequila in Terlingua Society Party, as we celebrate life, liberty and male bonding, without the trappings of tablecloths, roses or poems. Sponsored by Casa Noble Tequila. Bring a bottle of tequila for shooting, a handful of cigars, and your favorite snack to share. Strictly unstructured fun, for all the men of Rancho CASI de los Chisos! We have no dress code, no women to answer to, and we will not cook a thing! Let the Tequila Flow and the Smoke Blow!!!!

Memorial Board Ceremony

Join us Thursday, October 31, at 7pm at Memorial Plaza to pay our respects and celebrate the lives of those we've lost in the past year with a balloon release. Come fill out a card to attach and release your message to the heavens above, to mingle with the unlimited stars over Terlingua.

Toys for Tots

Don't forget to bring new, unwrapped toys for children ages 5-12 to TICC this year, along with wrapping paper. The teachers of the Terlingua School will make sure to toys get to the families of the Terlingua area. Any individuals or pods wishing to make money donations can make their checks out to the Terlingua School. All money donations will be used to purchase more toys and wrapping paper. PLEASE DO NOT BRING FLOUR, SUGAR OR OTHER STAPLES. ONLY TOYS AND WRAPPING PAPER. This program was created by our Great CASI Members and has been ongoing for many, many years. We hope it will continue. Director Cindy Noe will collect all donations daily at the Main Concession area. Thank you all so much for your kindness. Bless you.

Policy Regarding Shirt Pickup

You will be allowed to name a proxy to pick up your shirt if you're not attending TICC. Qualified cooks and show team captains, Great Peppers, and Regional Referees can have someone pick up their shirts. For qualified cooks and show captains, your proxy must have a copy of your Qualification email. For GPs and RRs, we'll have a list of all incoming officials.

You will be allowed only one shirt. For example, if you are a GP who is qualified to cook, you will receive one shirt. The same applies to all other categories as well.

Thank you all for everything you do. See you in the desert.

Salsa Event 2019

Traditional Salsa – Salsa is the Spanish word for sauce, and in Mexico it refers to sauces that are used as both ingredients and condiments. It is normally a spicy blend of tomatoes, onions, and hot peppers finely pureed or cooked to a liquid-like consistency. Secondary ingredients are traditionally garlic, salt, and/or cilantro (optional).

Non-Traditional Salsa – Pico de gallo, verde (green), fruit-based, etc. Anything goes, so be creative and have fun. Any fruit, vegetable, flavoring or spice is acceptable as long as the end product tastes great.

Salsa Judging Rules and Characteristics – Color/Appearance – is the product attractive and visually appealing? Smell/Aroma – the product should have a pleasant aroma, without one ingredient overpowering the others. Flavor – independent of spiciness, the product should be delicious. Viscosity/Texture – do you like the texture in terms of smooth, crunchy, easy to dip, etc? Heat/Spiciness – CASI is looking for a "classic" level of heat, not extreme or mind-numbing heat. Mild, medium, and hot are all fine, but try not to destroy the judges' taste buds!

Prizes ($1,600 total) – In each category: $350 to 1st place, $250 to 2nd, $150 to 3rd, $50 to 4th, and a salsa gift box for 5th place.

Details – Held on Friday, November 1 as part of National Scholarship Day. Entry fee is $15 for each category; turn in is 1pm at the Mexene Judging Pavilion. The top five in each category will be announced.

UPCOMING EVENTS

Everyone is doing a great job creating cookoffs online! There are only a couple of things I need to call to your attention.

When you create a cookoff and you don't request a box of *Trails*, cup tickets, or a rule book, you will not receive a packet of forms by regular mail. Your forms will be included in your approval email as a .pdf file. Please print out the forms, and fill in your cookoff date and the cookoff number shown on the approval email.

When submitting cookoff info for me to put into the system, please use the form online or in the *Terlingua Trails* so all information needed will be covered. Often email addresses, zip codes and counties are left off. If you are doing the input yourself and have a problem, please contact me instead of trying to submit again, especially if you get an error message. Thank you for your support!

To meet the cookoff advertising requirement, upcoming cookoffs must be publicized in the *Terlingua Trails* in the month prior to the event OR be approved and appear on the official calendar 30 days prior to the date of the cookoff.

You may enter your information at www.casichili.net or you can complete the Upcoming Cookoff Information form found in the back of the *Trails* and send it by mail to me at CASI Events, 802 Horizon Dr, Murphy TX 75094, or by email to casievent@casichili.net. If you have any questions you can reach me at 214.802.8194.

Free Quarter Page Ad for CASI Pod, State, Regional, and National Open Cookoffs

All CASI Pods are required to conduct a pod cookoff once a year. To help advertise your pod cookoff, you may run a quarter-page ad in the month your cookoff occurs. This courtesy is also extended to State, Regional, and National Open cookoffs. If you want an ad larger than a quarter page, or you wish to run it more than once, we will bill you for the difference in price. (This ad should not be confused with the article advertising your cookoff in the "Upcoming Events" section. That article starts to run in the next issue after your cookoff is registered and continues until your cookoff occurs.)

Every cookoff receiving a free ad is required by CASI policy to submit an article and photos to the Terlingua Trails after the event. If no news about the cookoff is submitted within 60 days after the event, it will be billed for the full cost of the ad.

SUBMISSION DEADLINE is the 15th of EACH MONTH.
