

**TASK FORCE  
ANNOUNCEMENTS**

**ANNOUNCER –**

**Wear gloves and mask. Practice social distancing.**

**TROPHIES –**

**Sanitize, where possible, and place trophies in sealed bags to be opened when presented to the winner.**

**One individual, with gloves, would remove from the bag and place near Announcer. Winner would retrieve trophy.**

**It would not be possible to sanitize a paper certificate, however. the ideal situation would be that the individual who prints would place in a sealed bag until time of announcements.**
