Credentials Committee Report

Alan Dean, Executive Director, presented the Credentials Committee Report stating that 64 Pods have resolved all issues with credentials. There are four Pods in question as to their seating.

Pacific Pod delivered no paperwork this year, nor last year. A Presidential Pardon was granted to the Pod last year and as a result, they had no CASI members serving as Officers in the Pod throughout this year. Partial information has been submitted since the deadline passed and it's questionable whether all Officers are currently members of CASI.

Ruidoso Chili Society, Route 66 Chiliheads, and Golden Triangle Pod have submitted no paperwork. Route 66 Chiliheads plan to allow their Pod to expire. Despite efforts to obtain information from the Ruidoso Chili Society and Golden Triangle Pod, no information has been received.

MOTION by Johnye Harriman, Spice Up California Pod, to require separate motions relative to the seating of the four Pods. The motion was duly seconded.

Motion passed.

MOTION by Johnye Harriman, Spice Up California Pod, to accept and seat the Pacific Pod.

Due to lack of a second, the *motion failed*.

No motion was made, so the Pods will not be allowed seating.

Dean stated that the Black Sheep Pod is requesting seeding.

Motion by Bill Pierson, Chillini Pod, to grant CASI affiliation to the Black Sheep Pod. Motion was duly seconded.

Motion passed.

Dean stated that the CHOPPS Pod is requesting seeding.

Motion by Tom Klug, Desert Breeze Pod, to grant CASI affiliation to the CHOPPS Pod. Motion was duly seconded.

Dean reviewed the issues regarding the late receipt of paperwork from the CHOPPS Pod. The paperwork was received a week after the deadline but was not the official CASI paperwork. This was considered at the Board Meeting and it was determined that this Pod did not meet the requirements to be seeded.

Support for the seeding of the CHOPPS Pod was expressed by Johnye Harriman, Spice Up California Pod; Dan Bauer, Capitol Pod; and Jerry Lee, Yavapai Chili Society.

Johnye Harriman, Spice Up California Pod, called for the question.

BOARD REPORTS

President's Message

President Ezell addressed the group and welcomed all delegates and guests to the meeting. Ezell commented that it was honor to be convening the Meeting, which is convening at the 9th hour of the 9th day of the 9th month of the 9th year of his service as a Director to CASI. The President introduced the Board members and outlined the responsibilities of each.

President Ezell commented that the delegates and Directors who preceded us have left their mark and done a wonderful job of laying the groundwork for where CASI is today. CASI is a growing, evolving organization. It's gratifying to look at the success of this organization.

The original chili challenge is now a 501(c)(3) tax free federal charity that has raised millions of dollars for worthy causes. CASI owns and has established a debt free facility in the desert and has been a very good corporate citizen of Brewster County, Texas. The state of CASI is good; our finances are sound. I salute you for being here today and hope you take the spirit of this meeting back to your members.

One of the goals of CASI is to recognize and honor the heritage that has brought us to where we are today. The Memorial Board at Rancho CASI is getting too long with the names of chiliheads who no longer answer the call of the chili trail. We need to remember those who have gone before us.

The President called for the establishment of a museum on the grounds at Terlingua to honor the heritage of those who have built this organization. Ezell stated he was prepared raise the funds to accomplish and asked for the assistance of individuals, like Ray King, who has been on the Museum Committee for several years. The things that built CASI need to be secure.

Taylor reported that a new sign has been fabricated to be placed on City Hall commemorating those who contributed to its construction. Please review the sign when you get to TICC, and if names were omitted please let Taylor know.

During the next year, the Memorial Board area will be refurbished. Taylor asked that anyone with landscape experience or experience with memorial type structures to please contact him.

Old 320

Ralph Hay, Alcalde, reported that he is seeking re-election at the Old 320 Meeting on Friday at the Ranch. Hay announced that those cooking in the Old 320 this year will again be eligible to win the cash prize of \$250.

The Old 320 waiting list currently contains approximately 40 names. There are some Old 320 owners who cannot be located; a listing will be published in the near future to see if anyone knows how to reach these individuals.

Hay advised that the Old 320 Certificate numbers are not the same as your spot numbers; please keep that in mind.

Hay introduced Johnye Harriman, Chair of the Old 320 Membership Committee.

Harriman distributed the draft Rancho CASI de los Chisos Old 320 Members Membership Information sheet to the delegates. Harriman asked that this be shared with the Old 320 members and members of the Pods; all are encouraged to provide comments to Hay or Harriman. After all input is received, a recommendation will be made to the Board.

Moore stated that maps will be posted and provided to Fire/EMS and security to assist them in making quick responses. Street signs will again be posted to assist in this effort.

An emergency response plan is being formulated.

Moore advised that Bruce Jones will be the CASI volunteer at the front gate and is soliciting CASI members to work the gate to provide assistance to the Fire Department personnel.
