**Contact Phone Number**

512-507-9089

**Please list any other details about the event that you would like the Championship Event Committee to consider:**

First, I would like to say this is not a north or south thing. This is the Texas Men's State cookoff, we need to build it back to 150 or more cooks, and all work together to make this happen. I'm involved in several other cook-offs: Howdy Roo, Spicewood and Kingsland. We raised over \$23000.00 last year for nonprofit organizations.

My committee is Gregory Lindsey, Randy Pittman and Renee Moore. My sub-committee is Charmain Rogers (jr cooks), Alan Dean, (wings) and Eddie Byron (golf)

The City of Granite Shoals is not charging us to use the land and they are paying for advertisement. Also, the city is working on reduced rates for rentals on the lake and hotels in Marble Falls, for cooks that need a place to stay.

The City will have approximately 48 RV sites with 30 amp plugs and water available. The City Manager is working on putting a dump station for sewer. The City Manager has authorized to start setting up on Wednesday before and stay to Monday at no cost.
