

**The 'Kids Cooking for Kids' program began two years ago to help boost donations for the Scholarship Fund. The KCFK is a 100% matching program. What that means is when you list your junior cookoff in the Terlingua Trails as a KCFK CCO, the kids' entry fees from that cookoff are matched dollar for dollar, and these funds are donated to the scholarship fund.**

**We encourage you to add a junior cookoff to events and list it as a KCFK CCO!**
