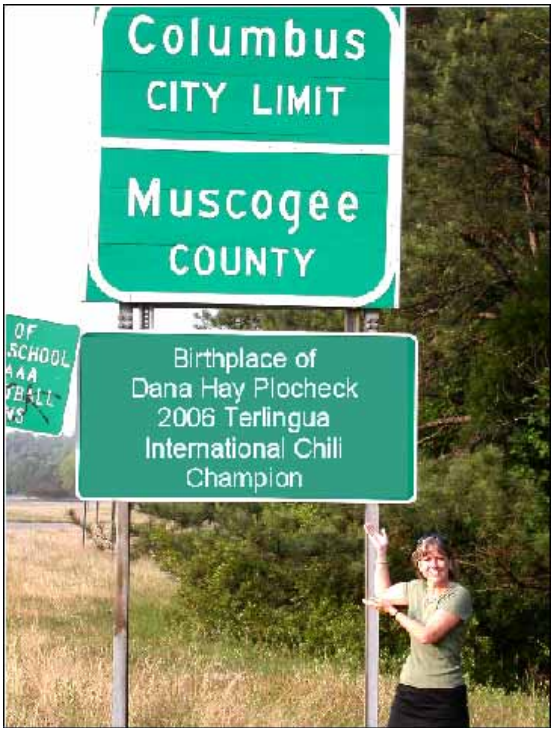
BLACK GOLD POD WINNERS

91 cooks turned in chili at the Black Gold Pod Cookoff with Samantha Sprang (left) from Midland taking top honors. On Sunday 75 cooks stayed to compete in the 2nd Annual Bronze Buffalo Cookoff with Honey Jones (right) from Canyon Lake winning 1st place.

MY HOME TOWN



On our way back from the North Carolina State CCO in May Mom, Dad & I detoured thru Columbus, GA, so I could see where I was born. Dad was stationed at Fort Benning at the time and when I was 6 weeks old his Father passed away so Mom & I flew back to Pasadena and lived with my Grandmother until Dad was discharged two months later. I've always said that one of these days I was going to go back. Well, almost five decades later this trip provided the perfect opportunity. We found the duplex still standing that Mom & Dad lived in but the highlight was when we got to the city limits of Columbus. I think the picture speaks for itself.

The credentialing process for the 2007 Great Pepper's Meeting is well under way. This process is due to be complete no later than August 20, so please help your Great Pepper get this accomplished. We've done everything we can to simplify the form and help assure success. If the form is approached in a timely manner with a sincere effort, I'm sure you'll find it easy.

The pod credential issue that needs the most clarification each year is CASI membership. Each Pod Officer, Regional Referee, and Area Referee must be a paid up CASI member through September 2008, the chili year they will serve. If you have been elected, or if you are running for one of these positions, please verify your membership status with the CIS or by contacting Mikie McGarity.

If any further credential help is desired, please call or email me. We want to work together for success.

Important Insurance Notice

If you are holding a cookoff, please make sure the venue has their own insurance before having them listed as an additional insured on the CASI certificate for that event. Holding a cookoff at a location that does not have insurance, and basically sharing the CASI insurance for their liability, could have catastrophic consequences to our insurance and ability to continue holding cookoffs.

The purpose of CASI insurance is to protect CASI and is **not** to protect those too foolish to protect themselves.

Volunteers Needed for the Front Gate at TICC

We need volunteers to interact with the public and assist the Terlingua Fire/EMS personnel at the Front Gate of the CASI Rancho De Los Chisos. Please contact Bruce Jones (830) 899-3353 or clplbg@gvtc.com to schedule. Time slots available Wednesday November 1st thru Friday November 3rd from 9 AM until Midnight.

Sponsors, spectators, vendors, media, chili contestants, showmanship teams, support personnel and chili personalities all pass thru the Gate at the Top of the Hill. Lend some of your time and meet some of the people that make Terlingua an experience to remember.

Make the Terlingua School District "Your School"

Anyone who has a Target credit card should consider making the Terlingua School District "your school". Since the Target Take Charge of Education Program began in 1997, Target has donated more than $183 million to schools across the country.

Up to 1% of your Target card purchases are given to the eligible school of your choice. For more information, go to www.Target.com/tcoe.

HOWDY ROO, ANOTHER BIG SUCCESS

The Highland Lakes Chili Pod wishes to thank all our sponsors and all that participated in The 36th Annual Highland Lakes Chili Pod CCO, Howdy-Roo. We had another successful cookoff with 112 CASI cooks, 18 local, 38 barbeque cooks, and 51 beaners. We gave to our charities $10,000 this year. Congratulations again, to all our winners. If you missed Howdy-Roo this year, please mark your calendar for next year's Highland Lakes Chili Pod CCO on May 3, 2008.

Nobody Told Me!

Nobody told me that I had to write about chili stuff for every column. I shall be eternally grateful for that fact. Sometimes, happenings in the real world in which we exist rear their ugly heads and I feel compelled to say something. I am also thankful that you don't have to know anything to have an opinion.

For those of you who have been living on another planet for the past month. Kansas City has been severely cursed with a rather senseless and brutal abduction and murder. In Kansas City, MY home, not some far-off wicked city. As I write this, it has only been about a week since this thing went down, so there are still many facts that I do not know. I only know that a beautiful 17-year old young lady was kidnapped from a reputable department store parking lot, and shortly thereafter, she was murdered. I don't know if she was raped, tortured, or brutalized in any way before she was murdered. Apparently, the whole senseless act took place in a very short time, perhaps less than four hours.

We, and especially I, know very little about her kidnapper and even less about his motive. To my distinctly untrained mind, it would appear that he followed Kelsey into, and out of, the department store. Then he charged up to her and forced her into her own car and drove off. I understand he then took the highway east and wound up in the woods near a large, local lake where Kelsey's life was taken. I don't know why.

Another 18 year old girl is missing, after disappearing while walking home from school in a small suburb. We don't know what happened, or where she is. We don't know if she was kidnapped, or just wanted to disappear. I don't know why.

A few years ago, a "man" told his coworkers that he wanted to kidnap, rape, torture, and kill an 11-year old girl. It was so outrageous that the coworkers laughed it off. Then, he went out and did it. I don't know why.

Two young boys were abducted and held for as long as 4 years in St. Louis. Apparently, they were relatively unharmed when rescued. I don't know why this happened, either. Even a middle-aged woman disappeared from our streets a few years ago. Years have passed, and nobody knows why.

Other children and women have been and will be abducted, raped, imprisoned, tortured, and undoubtedly murdered. I don't know why, and I will never understand these things.

I do know that the perpetrators have been caught, or they will be caught. They will be tried, convicted, and sentenced. Admittedly, I am more inclined toward vengeance than justice for the creatures that perform these acts. Any punishment short of crucifixion strikes me as too lenient. I don't like these sub-human beings.

Now, it's time to look inward. Would I have done something if I had seen Kelsey being shoved into her car? Or would I have turned away and said it's none of my business? What if someone told me he wanted to kidnap, rape, torture, and murder an 11-year old girl? Would I have done anything or would I have turned away? What would <u>you</u> do?

We chiliheads probably don't have to worry about child molestation too much, especially at a cookoff. But many cookoffs are held in conjunction with other public celebrations, and almost all are accessible by automobile. That means that the bad guys can still visit us. Even Terlingua can be found by a determined predator. Young children are not terribly common at cookoffs, but even mature women are vulnerable.

Whenever we see a child involved in an accident or disabled by some other misfortune, we fly to his aid. We normally help first and count the cost last. In the treacherous environment that we seem to live in today, we perhaps need to be equally proactive in protecting our children from harm from predators. Please, if you see something that looks like an attack on someone less capable of defense, fly to her or his aid, as surely as if it were an accident . All of the younger and weaker are our special responsibility, whether we know their name or not.

Steve Dowdy

Our Memorial Board

The CASI Board of Directors received sad news this week that affects all our members in one way or another. Our beautiful Memorial Board was discovered on the ground and shattered.

Vandalism is <u>not</u> thought to have been a factor. There have been several episodes of severe weather in the Terlingua area, and it is thought these probably contributed to the collapse.

Since reporting this to the Great Peppers and through the CHN, I have received several emails expressing the desire to contribute toward the building of a new monument to our beloved chili cooks, loved ones, and friends who have passed. Anyone wishing to do so, may send a contribution to the CASI Treasurer noting it is for the Memorial Board.

At this time, the Board plans to discuss this issue at the July Board Meeting and will make every effort to have a new Memorial Board in place for TICC.

Desert Eagle and Budweiser 2007 Sponsors CASI Terlingua

Barrick to Run for Board

A NEW MEXICO PERSPECTIVE

Howdy Folks! I would like to announce my candidacy for election to the CASI Board of Directors and look forward to seeing you at the upcoming Great Peppers Meeting in Tyler.

I have served as the Great Pepper of the New Mexico Chili Society for the past 7 years. I have cooked chili since 1990 and have been a member of CASI since about 1991. I have been a CASI Regional Referee for many, many years. I am a member of several Pods in New Mexico, Texas, Arizona, and Colorado and have cooked chili in all of those States as well as in Mexico. I am retired from the Federal Government where I worked for 37 years both as a Soldier and as a civilian employee. During my career, I worked 18 years as a Division Chief in the Human Resources Directorate and I served for 5 years as the Chief of the Logistics Operations Division both at White Sands Missile Range, NM. In both positions, I was responsible for the management and execution of multi-million dollar budgets. I earned my BBA from New Mexico State University and my MBA from Hampton University. I believe that my educational and experiential background in human resource management, business, and business processes will be a benefit to CASI in the areas of fiscal management and short- and long-term planning as we move into the future. Inasmuch as I come from a single Pod State you can be assured that I will always represent and vote for the best interests the "cooks in the field" who are the backbone of our organization. Your support and vote will be greatly appreciated.

I welcome questions and comments from everyone and can be reached at teamorgan@zianet.com or (505) 382-5107.

Bud Barrick

Goforth Seeks Seat on Board

I am proud to announce my intention to seek election to the CASI Board of Directors at the 2007 Great Peppers Meeting in Tyler. Since 1996, I have been an active CASI member, cook, and show person.

I am a member of the Old 320 and a Charter Member of Krazy Flats. I am a past Great Pepper of the Texas Hill Country Pod and have served as the Regional Referee of the San Antonio Region of CASI for three of the past four years. I have also served on both the Texas Ladies' State and the Texas Men's State Championship Committees.

At TICC, I have worked the front gate, registration of cooks, and registration of judges, as well as assisting in preparation of our facilities for our championship.

I have thoroughly enjoyed my involvement with CASI and wish to continue by being a member of our Board of Directors and serving in any capacity I may be asked to function. I ask for your support and any questions or comments can be directed to me by e-mail at johngo4th@yahoo.com or cell phone 830-832-5070. Thank you.

I've Got Zak's Back Chili Cookoff –an Event from the Heart

A beautiful Colorado spring day in the 70's made for great chili-tasting weather at this event which benefited the Zak Kissel Fund. Held Saturday, May 19th, this "event from the heart" brought hundreds of people, young and old, to enjoy the day's festivities. The sound of live music was shared with the aroma of Cumin, Onion, Garlic, Chili Powder and all the other things that make up classic Texas Red and Green Chili.

With a silent auction, family bike ride, 25-mile ride for the serious peddler, and kids' activities, there was something for everyone. The event was held at Lefthand Brewery, one of the premier "microbrew" breweries in the country. The Chili Cookoff and other events brought hundreds of hungry spectators to this beautiful Colorado setting.

The chili cooks and all of the volunteers were treated to "complimentary" pints from the onsite brew pub; many a cook took advantage of this. In fact, after the event was over, the owners extended the "cooks special" into the night.

By mid-day, the attendees from all over enjoyed and devoured the selections of red and green chili to ensure that even the largest of pots were bone-dry.

Steve Lee and his Warriors of the Crimson Pepper claimed the Showmanship Crown for the day. Steve also picked up a first place win in the Green Chili Category.

Lyman Wilkinson, the Colorado Pod's own Great Pepper, picked up a 4th Place win. His wife Linda took 3rd, son-in-law Robert Batie took 2nd, and his daughter Christi took home 1st Place. Hey, Lyman, want to tell us what the family secret is?

Entry fees were well spent. Zak Kissel is a 9-year old boy with Duchenne Muscular Dystrophy. Because of Zak's weakening muscles and constant seated position, his spine is curving sharply in two areas (top and bottom). Zak's Mother, Megan, thanked everyone for their participation in raising $4,976. Steve Lee chipped in just to make it an even $5000.

On June 18, Zak will have spinal fusion surgery to straighten his spine, having 2 titanium rods attached permanently on either side of his spine. This event was held to help with medical costs. Additional fundraising events are being help by the local Rotary, Kiwanis, and other charitable organizations. If you are interested in lending a helping hand to Zak and his mother, visit www.ivegotzaksback.com.

Chili on.

Vince and Crunch's 4th Annual CASI Chili Cook-Off, Bike Rally and Team Sorting

Despite the deluge of rain over the Memorial Day weekend in Caldwell, TX, the 4th annual CASI Cook-Off was a smashing success. First of all the cook-off was honored by the presence of our current Terlingua International Champion, Dana Plocheck, who by the way took 1st place on Saturday. Dana took home the coveted Chili Grill which is in its second year of being awarded to the Saturday winner. Vicki Bald won 1st place on Sunday which put her on her way to Terlingua which was cool.

This year 39 CASI cooks participated which broke last years record of 35. With the new location, the Caldwell cook-off hopes to grow even bigger next year. Yes, it was wet and God Bless those cooks that literally stood bare footed in angle deep water while they cooked. The Houston folks really turned out and made it a great success. We were honored to have three past International champs there along with Director Ed Blair who helped with the tally of scores.

The cook-off also had its Bike Rally, now called Cyndi's Bike Rally, named after the co-founder of this annual event. On Saturday there were Biker Games which are really great and entertaining. On Sunday we added Team Sorting to bring in the Cowboys and Cowgirls. There was even a Youth Team Sorting event for the kids.

All in all, the whole event raised $6,800.00 for charity. Saturday's proceeds of over $3,400.00 went to the Burleson County Youth Saddle Club for Scholarships and the remaining $3,400.00 on Sunday went to Operation Inter-dependence and Soldier Relief for our Women and Men serving in Iraq and Afghanistan.

Special thanks go out to Mavis, Keith, Tom, Roy, Crunch and Len for helping with the cook-off. And If I forgot anyone please forgive me, but thanks to you also. Finally, I want to thank my Girl, Tammy Sprang for all she did to help make this a success, like getting sponsorship, the prizes for the cooks, and setting up the judging area and helping me clean up after the event.

The new location has 43 hook ups with electric and water. There is a covered rodeo arena which really helped save the cook-off and other events. There is plenty of room everywhere. Hopefully, next year the rain will stay away and we can have even more cooks. Below are some select Pic's. Thanks Mike!

Free Quarter Page Ad to CASI Pods, State, Regional and International Opens

As a CASI Pod you are required to put on a pod cookoff once a year. To help you advertise your pod cookoff we allow each pod to place one quarter page ad in the Terlingua Trails, each year, free of charge. This ad should run the month before your cookoff occurs. Should you decide that you need an ad larger than a quarter page we will simply bill you for the difference in price. This ad should not be confused with the article advertising your cookoff in the "Cooking with CASI Calendar" section in the Terlingua Trails. That article will start to run as soon as you request your cookoff packet and will run until your cookoff occurs.
